ST MARTIN STREET NAME DAY IS UPON US!
On that day, November 11, a Poznań-based tradition gets interlaced with nationwide celebrations. Let us meet at the intersection of Święty Marcin Street and Niepodległości Avenue to spend quality time together.

„Czyń dobro" means „Do Good" and is inspired. by the figure of Saint Martin, who shared his coat with a person in need. This reminds us that care and readiness for action make sense and make up our everyday reality.

Ther celebrations will be full of traditional symbols, colourful figures, and flavours which have for years contributed to the unrepeatable air of the St Martin Street Name Day. Between 11 am and 9 pm, come and visit the **Festivity Town at Święty Marcin** Street and Niepodległości Avenue. You will be able to enter it via one of the five entrances.

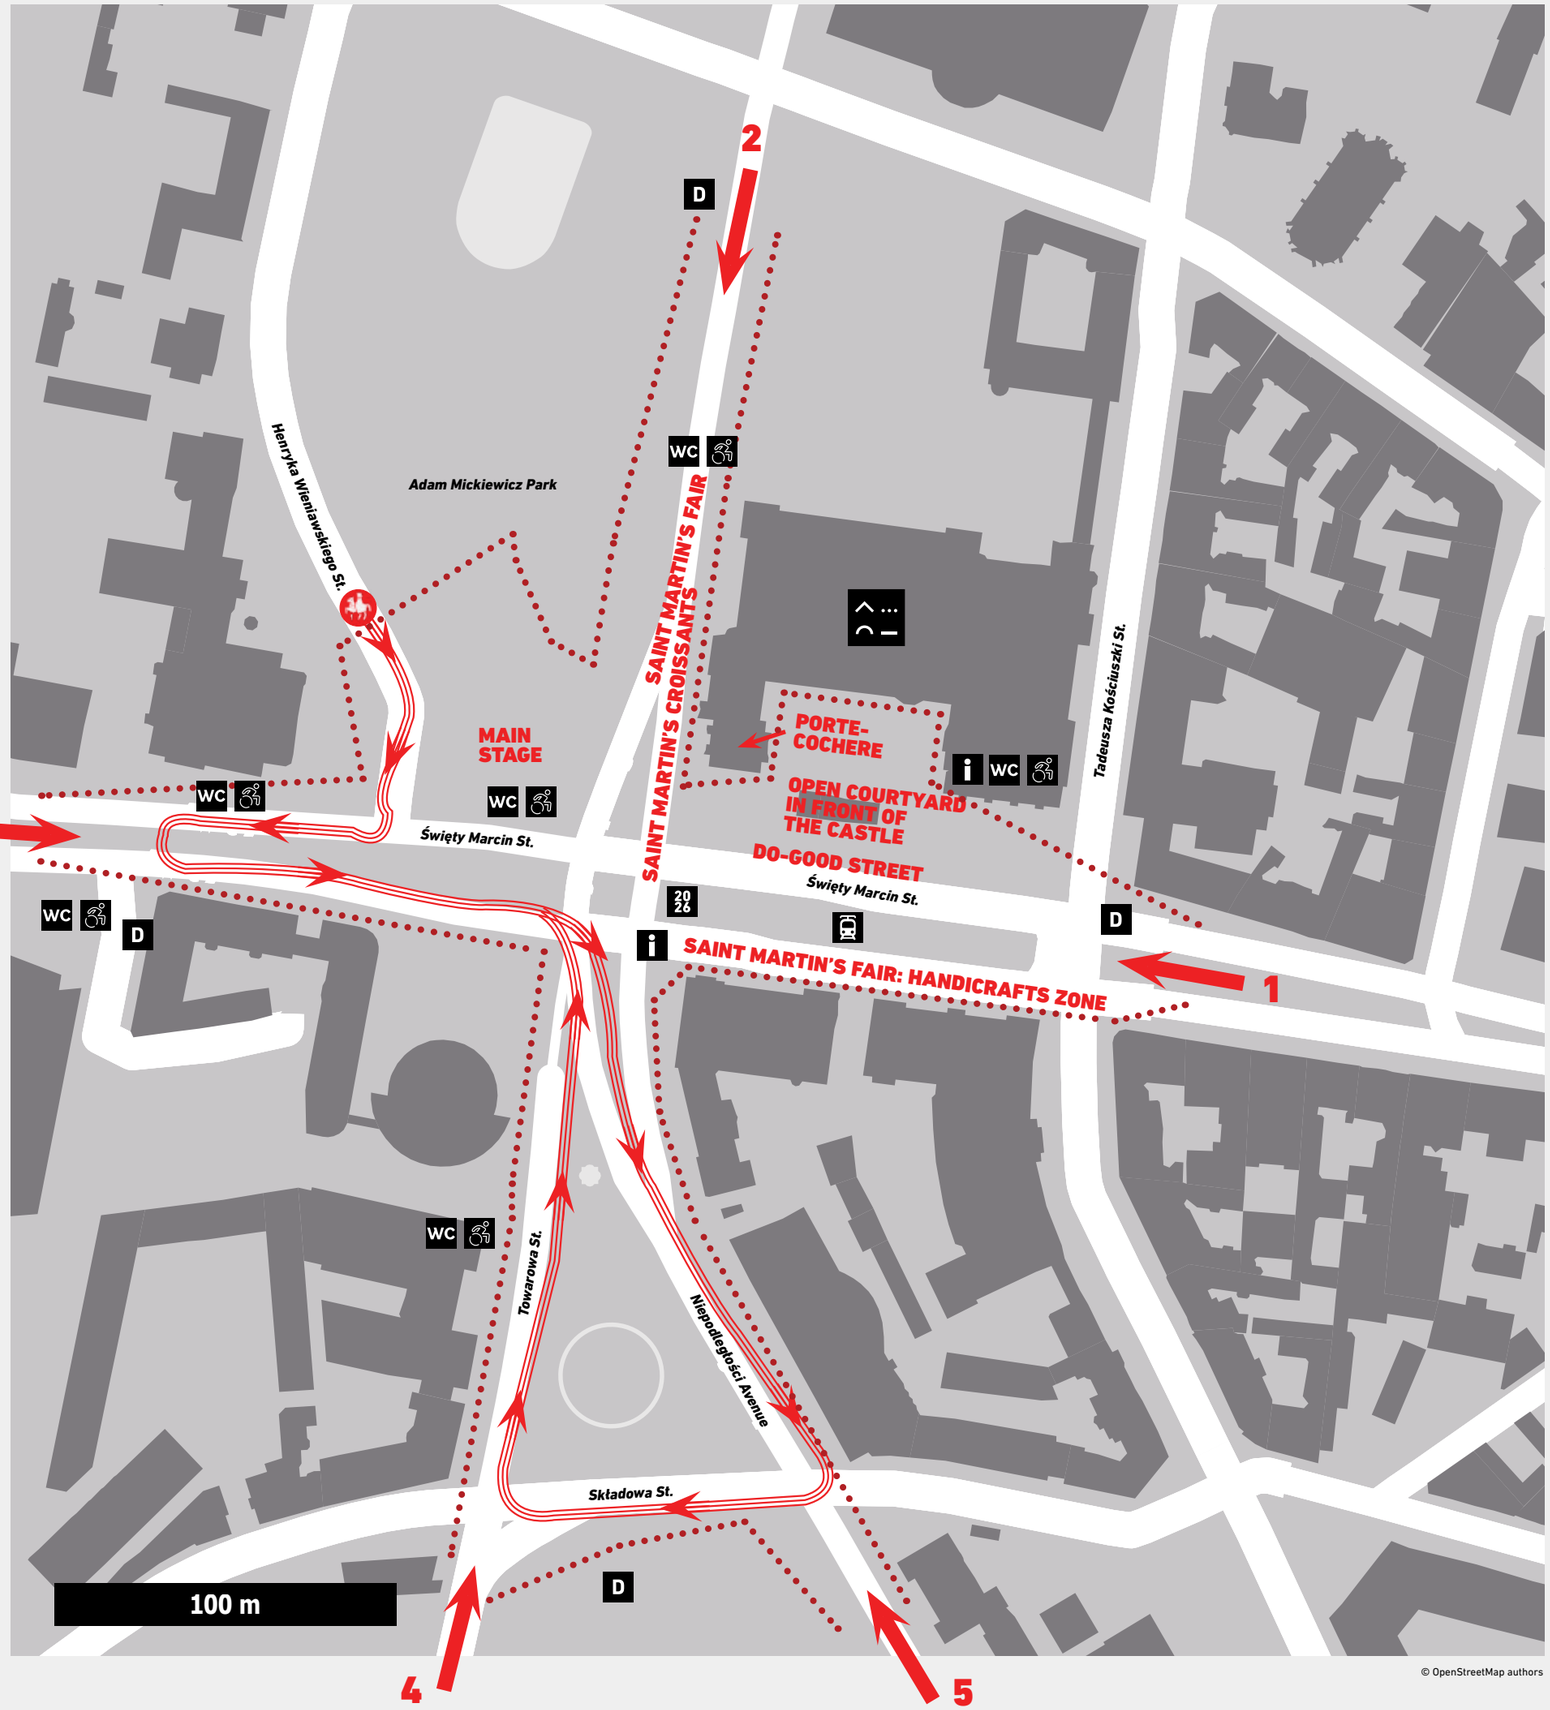

St Martin's Fair and the stage in Adam Mickiewicz Park will operate all day long. Between 11 am and 6 pm, the Festivity Town will host all kinds of highlights. At 2 pm, in line with tradition, **the keys to the city will be handed over to Saint Martin**. This will begin the procession along the streets of Święty Marcin, Składowa, Towarowa, and Niepodległości.

At 6 pm the stage will one again be the centre of the celebrations for **a concert of none other than NOSOWSKA!**

You will be able to visit the ZAMEK Culture Centre between 11 am and 9 pm. Activities for entire families will be held on the premises between 11 am and 6 pm.

The exhibition *THE WORLD AS A HERBARIUM. Nature in Art from the 17th to the 21st Century* will be open until 8 pm, while Polish Cinema Day will continue into the late evening.

Admission to most events is free of charge, with the exception of the exhibition *THE WORLD AS A HERBARIUM. Nature in Art from the 17th to the 21st Century* and *Polish Cinema Day*.
